Mason	\$769
Nicholas	\$528
Robertson	\$494
Rowan	\$672
<b>Kentucky</b>	<b>\$910</b>
<b>National</b>	<b>\$1,152</b>

Pegasus Institute is first and foremost focused on promoting a better future for Kentucky. As we consider how to do that, a few policy areas and key statistics stand out. Kentucky's Labor Force Participation rate remains among the lowest in the nation, below 60 percent. Improving this number and getting more able bodied adults into the workforce should be the highest priority for the General Assembly. This District break down shines a light on the statistics that give us the most concern.
